

## A BRIEF PROFILE OF

### PARTNERSHIP AFRICA CANADA

#### Creation of the Organization

- Partnership Africa Canada was established in 1986 and was incorporated in 1993.
- Partnership Africa Canada is a non-profit organization registered in Canada.

#### Financial Information

- Its financial year is April 1 to March 31.
- Between 1987 and 1995, PAC supported, through Canadian NGOs, hundreds of community-level projects in sub-Saharan Africa - from Senegal to Ethiopia to South Africa, with more than \$100m in project funds.
- In 1996, PAC moved from being a funding mechanism to becoming a research and policy-dialogue organization.
- Programme revenues for the 2008-09 fiscal year were in excess of \$825,000. PAC was funded in 2008 by Irish Aid, the International Development Research Centre (Canada), the Canadian International Development Agency, Foreign Affairs and International Trade Canada, Cordaid, the Canadian Autoworkers Social Justice Fund, the World Bank and others.

#### Regular Publications

- **The APRM Monitor**, a periodic newsletter about the implementation of the African Peer Review Mechanism (APRM).
- **Other Facets**, a periodic newsletter about the international effort to end diamond-related conflict.
- **Diamond Industry Annual Review**, a publication that examines the diamond industry in the countries most affected by conflict diamonds and provides comparisons to measure progress from one year to the next.
- **Occasional Paper Series**, investigative research into the conflict diamonds question.
- **Insights**, studies into major issues affecting African development.
