

## A BRIEF PROFILE OF

### PARTNERSHIP AFRICA CANADA

#### Creation of the Organization

- Partnership Africa Canada was established in 1986 and was incorporated in 1993.
- Partnership Africa Canada is a non-profit organization registered in Canada.

#### Financial Information

- Its financial year is April 1 to March 31.
- Between 1987 and 1995, PAC supported, through Canadian NGOs, hundreds of community-level projects in sub-Saharan Africa - from Senegal to Ethiopia to South Africa, with more than \$100m in project funds.
- In 1996, PAC moved from being a funding mechanism to becoming a research and policy-dialogue organization.
- Programme revenues for the 2009-2010 fiscal year were in excess of \$1m. PAC was funded in 2009-2010 by Irish Aid, the International Development Research Centre (Canada), the Canadian International Development Agency, Foreign Affairs and International Trade Canada, Revenue Watch Institute, Open Society Institute, Oxfam-Novib, Cordaid and others.

#### Regular Publications

- **The APRM Monitor**, a periodic newsletter about the implementation of the African Peer Review Mechanism (APRM).
- **Other Facets**, a periodic newsletter about the international effort to end diamond-related conflict.
- **Diamond Industry Annual Review**, a publication that examines the diamond industry in the countries most affected by conflict diamonds and provides comparisons to measure progress from one year to the next.
- **Reports**, investigative research into the conflict diamonds question.
- **Insights**, studies into major issues affecting African development.
